

Advanced Training Programme on Bibliometrics and Research Output Analysis

02nd - 06th December, 2024

Information and Library Network Centre
Gandhinagar, Gujarat

About INFLIBNET

The Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located in the Infocity, Gandhinagar. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, promotion of information transfer and access, support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning and R & D institutions in India. The Centre was established as an independent autonomous Inter-University Centre of the UGC in May 1996 and set out to be a major player for promoting scholarly communication among academicians and researchers across the country. With technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken up a number of initiatives for the benefit of the academic community in India.

Aims and Objectives of the Training Programme

The aim of the training programme is to give the participants sound overview of bibliometric methods, Bibliometric data sources, data processing and performance indicators related to bibliometric analysis and mapping. It will provide awareness about the most commonly used database, how to build-up relevant indicators and how to interpret the data. Special emphasis will be given to indicators used in research evaluation. Theoretically imparted knowledge will be consolidated with demonstration on various tools such as Bibliometrix, Biblioshiny, VOSviewer, etc. Through a combination of expert-led lectures, hands-on workshops, and real-world case studies, attendees will gain proficiency in utilizing bibliometric tools and techniques, enabling them to make informed decisions in research evaluation.

Major Topics

Following topics will be covered in the training:

- ❖ Overview of Bibliometrics
- ❖ Mathematical Foundation of Bibliometrics/Scientometrics
- ❖ Bibliometrics Tools and Techniques such as Bibliometrix, Biblioshiny, VOSviewer, etc.
- ❖ Bibliometric Methods for Subject Delineation
- ❖ Measuring Research Impact
- ❖ Network Analysis and Visualization
- ❖ Open Research Data: Access, API and Integration
- ❖ Advanced Bibliometric Methods for Evaluation, Ranking and Mapping of Research
- ❖ Bibliometric Indicators and Ranking of University Research Performance
- ❖ Clarivate Analytics' Web of Science and Elsevier's Scopus Databases

Resource Persons

The lecturers are prominent researchers, scientists/professors in the field of bibliometrics. They have an extensive experience with the application of bibliometric analysis in a research evaluation.

Target Participants

Library and information professionals, information scientists and students can apply for registration. A maximum of 25-30 candidates will be selected for the training programme on First-Come-First-Serve basis.

Duration

Five days (2nd December – 6th December, 2024)

Venue

The Training programme will be conducted at Information and Library Network Centre, An IUC of University Grants Commission, Infocity, Gandhinagar-382007, Gujarat, India

Fee

The registration fee is Rs. 6,000.00 (Rupees Six Thousand only) per person without accommodation and Rs. 10,000.00 (Rupees Ten Thousand Only) with accommodation which is inclusive of GST rates. It covers the cost of a training programme kit containing training materials and lunch during the training period. The payment should be made through Demand Draft in favour of INFLIBNET Centre payable at Gandhinagar along with filled-in registration form. Fee is non-refundable and non-adjustable. The Centre also accepts payment by NEFT /RTGS for the workshop.

The bank account details will be shared on request.

Accommodation

The Centre will arrange accommodation during the period of training on chargeable basis at INFLIBNET Guest House (A/C Room) on twin sharing basis. The participants must send prior intimation and charges for accommodation along with registration fees. The accommodation will be provided first come first serve basis.

Registration

The application for registration to the workshop programme should be submitted online to the INFLIBNET Centre on or before **15th November 2024**. Please open this link for online Registration <http://hrd.inflibnet.ac.in/login.php>

Certificate

Certificate will be issued to the registered participants after the workshop.

How to Reach

Road Routes

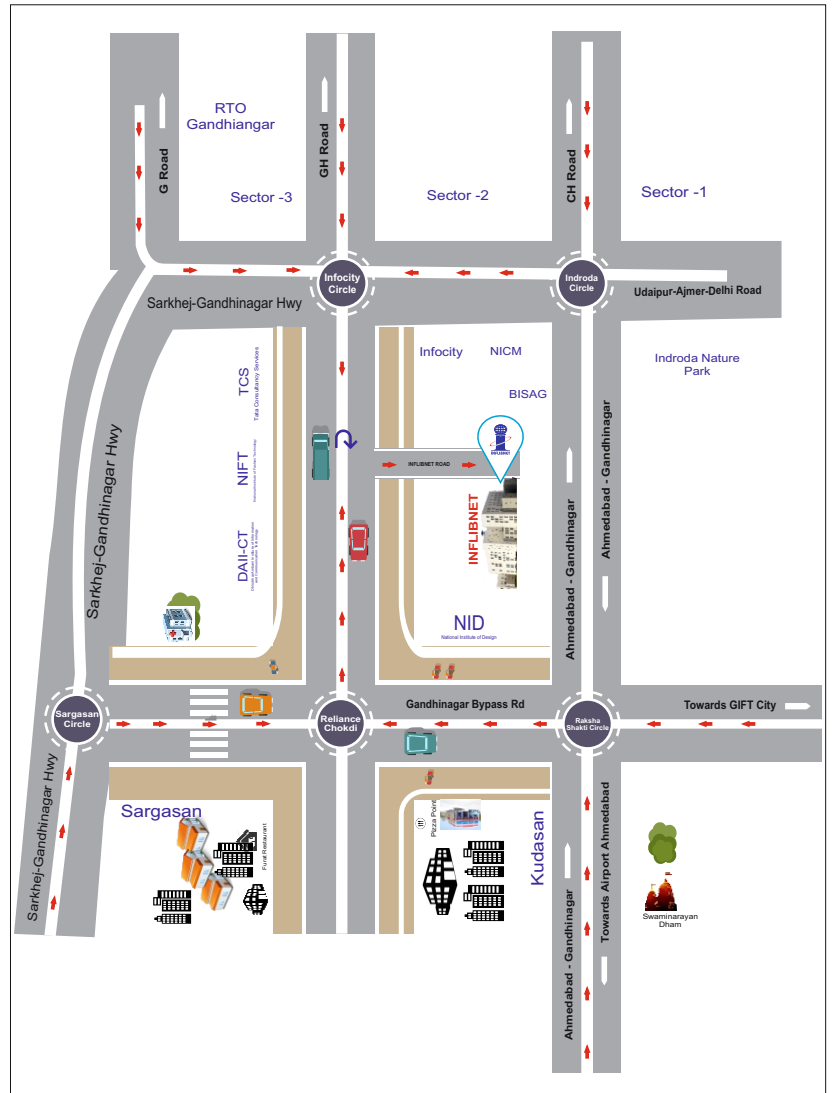

Gandhinagar is connected to Surat, Mumbai, and Navi Mumbai through National Highway 8A. It is connected to Ahmedabad, Jaipur, Udaipur, New Delhi & Chandigarh through the National Highway 8C.

Air Connectivity

The nearest airport is Sardar Vallabhbhai Patel International Airport, Ahmedabad located at a distance of 15KM from Domestic flights are available for the Metropolitans and other major cities of India. It also provides many International flights from Ahmedabad to across the world.

Rail Connectivity

The nearest Railway Station is Ahmedabad Railway Station (Known as Kalupur) which is well connected to all metropolitans and other major cities of India. The Ahmedabad Railway station is located at a distance of 23 Km from the INFLIBNET Centre, Gandhinagar.
