General Terms and Conditions:

1. The payment must be made in advance before commencement of the service.
2. DSpace Installation Charges as mentioned in Section A are for remote installation service, where the INFLIBNET Centre should be provided root/admin account credentials and GUI-based connection details of the system. In case of on-site installation, TA/DA charges will be applicable as per the Government of India rules. The Institute should also arrange free local hospitality and accommodation.
3. For Section B, all the inputs are to be provided by the client institution in soft copies.

Information and Library Network Centre (INFLIBNET)
Infocity, Gandhinagar-382007, Gujarat

4. The client institution shall ensure that all required infrastructure, including servers, operating systems, and network connectivity, is in place at their end before the commencement of services, as all deliverables will be deployed on the client's systems.
5. INFLIBNET Centre shall not be responsible for:
 - a) Insuring, maintaining, or managing the client's equipment, hardware, or operating system, nor for covering any risks arising from system failure or security breaches of the same.
 - b) Any content that forms part of a co-located service or application.
 - c) Backup of the original content or raw data, or for storing backup files.
 - d) Any copyrighted material, restricted content, or prohibited data uploaded to the repository by the client institution or its users.
 - e) Any issues arising from the use of third-party plugins, modules, or external integrations.
 - f) for any technical glitches, bugs, or issues arising from the software itself or its community-developed components, as DSpace and its prerequisite software components are open-source in nature.
6. The timeline for installation, customization, or maintenance services will depend on the availability of required inputs, system access, and complexity of requirements.
7. It is desirable that the IR's OAI-PMH service be accessible to INFLIBNET for future metadata harvesting.
8. User training or operational support, if required by the client institution, may be provided separately and may attract additional charges as applicable.
9. The rate structure is applicable to Academic / Government /Government Funded Institutes only
10. The INFLIBNET Centre reserves the right to revise the rates as and when required without any prior notice.
11. In case of any dispute, the matter shall be referred to the sole arbitration of the Director, INFLIBNET Centre, and the decision thereof shall be final and binding on all parties.
