Five Days Online Training Programme on
Creation and Management of Digital Library using Open Source Software

05 – 09 October, 2020

About INFLIBNET

The Information and Library Network (INFLIBNET) Centre was established in May 1996 as an independent, autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC). Major activities and services of the Centre include automation of academic libraries and information centres, creation of union databases of resources available in academic libraries, promote resource sharing among academic libraries, promote information access and transfer, support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning and R & D institutions in India with an aim to promote scholarly communication. The technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken-up a number of initiatives for academic community in universities under its purview.

Aims and Objectives of the Training Programme

This workshop is intended to equip participants with skills for developing and managing their own digital collection. There will be lectures as well as intensive hands-on Training sessions by experts in the field. Thus it will provide both theoretical base and practical skill to the participants.

To create awareness in new developments in the field of Library and Information Science like managing information sources in a digital environment, building institutional repository, networking and social media, management of e-resources, latest in development and trends in LIS with glimpse on Library Automation along with hands-on-training.

Following topics will be covered in the workshop:

- ❖ Introduction to open source s/w and working with Linux: Basic commands
- ❖ Institutional Repositories using Dspace
- ❖ Metadata Standards for Digital Collection
- ❖ Digital collection building using DSpace: Installation and Configuration
