Three Days Online Training Programme on
E-Learning : Content Creation & Hosting on LMS

26 – 28 August, 2020

About INFLIBNET

The Information and Library Network (INFLIBNET) Centre was established in May 1996 as an independent, autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC). Major activities and services of the Centre include automation of academic libraries and information centres, creation of union databases of resources available in academic libraries, promote resource sharing among academic libraries, promote information access and transfer, support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning and R & D institutions in India with an aim to promote scholarly communication. The technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken-up a number of initiatives for academic community in universities under its purview.

About Workshop

The INFLIBNET Centre is organising three days workshop on "E-Learning: Content Creation and Hosting on LMS" during August 26-28, 20204 at INFLIBNET Centre, Gandhinagar. The workshop includes lectures as well as hands-on training which will provide both theoretical and practical exposure to the participants. It will enable participant to know about the concept of e-Learning, e-Learning projects, content component and learning management system, etc. The participants will get fair idea about e-content development and its hosting on MOODLE.

Following topics will be covered in the workshop:

- ❖ Introduction to E-Learning and content creation;
- ❖ Tools & techniques, standard for e-content;
- ❖ Introduction to Learning Management Systems;
- ❖ Installation of open source LMS;
- ❖ Configuration and customization of open source LMS;

- ❖ Understanding practical workflow of LMS;
- ❖ Introduction to MOOC;
- ❖ E-content uploading and providing access to the users; and
- ❖ User and e-content Management.
