About INFLIBNET

The Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located in the Infocity, Gandhinagar. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, promotion of information transfer and access, support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning and R & D institutions in India. The Centre was established as an independent autonomous Inter-University Centre of the UGC in May 1996 and set out to be a major player for promoting scholarly communication among academicians and researchers across the country. With technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken up a number of initiatives for the benefit of the academic community in India.

Introduction

UGC as well as INFLIBNET Centre is bringing out various measures to enhance the quality of research in the Nation. A national repository is created for providing open access to the research results through the Shodhganga portal. As per MoE/UGC Notifications 2009" as superseded similar Regulation 2016 and Regulation 2021/2022. Universities are requested to host soft copy of the theses awarded by the universities into a central repository i.e. Shodhganga, the number of theses has reached about 6,11,500+ theses from 832+ universities. 968+ universities have signed MoU for joining which makes Shodhganga the largest repository of PhD theses in India.
